## **PRACTICE SCHEDULE**

The night of the coaches meeting, each coach will assign his or her team practice days and times. The coach will keep those days until the games begin. If there are any problems or conflicts with the days the coach chose, the coach will have a list of all the coaches in the appropriate age group to try and trade a day with other coaches. Until games begin, practices will be scheduled Monday through Saturday with each team getting one practice time in during the week and one practice on Saturday. Practice times may begin as early as 5:30 p.m. during the week and 9:00 a.m. on Saturdays. Each team will have an hour practice. After games begin there will be very few practice nights available. Practice nights and times are strictly up to the coach's discretion and any conflicts players or parents have must be discussed with the coach directly.

## **PCRD REQUEST POLICY**

No child will be moved from one team to another after the draft has taken place.

The only children who are guaranteed to play on the same team will be siblings or children who live in the same household.

If you have a legitimate hardship request, it must be made in writing on a PCRD Request Form when you register your child. Hardship requests will then be considered by the Pickens County Recreation Director & Staff along with the Pickens County Recreation Board "Request Review Committee." If it is deemed a verified hardship request, it will be presented at the draft for final approval by the coaches in that age group.

If you do not want your child to play for one particular coach, you must request such in writing before the day of the draft..

We allow one assistant coach and their child will be graded and drafted in the round the coaches and director agree on.

**To be eligible for GRPA postseason play, your child must either attend school in or be a permanent resident of Pickens County.**

There will be no exceptions to these rules.
